CENTURY HOME PROGRAM

General: This program recognizes publicly those homes in the immediate area whose age is at least 100 years old.

Application:

The application blank below shall be filled out and presented to the South Euclid—Lyndhurst Historical Society, along with proof of the age of the home.

Eligibility:

Any 100-year-old home within the confines of South Euclid, Lyndhurst, or near-by communities is eligible to be so designated. The person making application shall show documented proof to the South Euclid Historical Society that the home in question is at least 100 years old. The Cuyahoga County Archives or a real estate form on the County Financial Officer's web site can provide this proof. The home is allowed to have had additions or improvements which would make the home more livable or endurable. Aluminum siding is allowed. The intent is to honor any century-old structure whether or not improvements have been made. Architectural purity is not a factor which we are in a position to judge.

Award:

The South Euclid Historical Society will present to the qualifying applicant a plaque, as shown on the next page, upon payment of its cost. The presentation may be done any way deemed suitable by both the Society and the homeowner.

Implementation:

The Society will appoint a director for the Century Home Program who will keep files containing the proof of age of the home, the date of presentation to the applicant, and the applicants name and address. Photos and other data may be added if so desired.

APPLICATION

(please print)

Date: ____/____/20____

Applicants name: _____

Address: _____

City: _____

Phone(s): _____

E-Mail: _____

Year home was built: _____

Proof of age. Describe documents used: _____

☐ White lettering on Black background / or / ☐ Black lettering on White background

Send application and payment to:

Cyndee Shirk

South Euclid—Lyndhurst Historical Society

4629 Mayfield Rd.

South Euclid, OH 44118-4018

White lettering on Black Background

OR

Black lettering on White Background

The plaque is 16 inches wide by 12 inches tall, is made from heavy outdoor plastic, and has the year your home was built. Plaque can be either white lettering milled into black plastic background or black lettering similarly chisled into white background.

Current cost: \$100.00 payable with order.
Ready about 2 weeks after receipt of order.

We would prefer either making the presentation at our next bi-monthly membership meeting or in front of the home; however, this is optional.
